

How to Start a Blog

Domain Name Brainstorming

What topics will you write about?

How do you want your blog described?

Domain Name Brainstorming

- Make name easy to spell and say.
- Use keywords.
- Keep domain name short.
- Do not be too specific if you feel that your blog topics may expand or change someday.
- Just pick something. It's easy to get hung up on this step. At some point you just need to move forward!
